Resolutions of Respect.

Crab Orchard Lodge 108, I. O. O. F. Whereas our beloved brother and chaplain, W. H. Smith, has been removed by death, therefore be it resolved

1st That in the death of Bro. Smith the lodge has lost one of its most useful and zealous members, who by his purity of mind and sincerity of purpose endeared himself to all. The community has lost an energetic and loyal citizen, the church a powerful and influential member, the family a loving and indulgent husband and father.

2nd That we extend to the bereaved family our tenderest sympathy.

3rd That these resolutions be spread on the minutes of this lodge, a copy sent to the sorrowing family and also published in the INTERIOR JOURNAL.

4th That the usual badge of mourning be worn for 30 days and the chaplain's station be draped in mourning.

H. L. Wells, W. Jay Edmiston, A. B. Bastin, committee.

Crab Orchard Lodge No. 636 F. & A. M. Whereas, it has pleased Almighty God to call from labor to rest our beloved brother, W. H. Smith, Dec. 6, 1907, therefore be it resolved

1st That in the death of Bro. Smith this lodge loses a worthy and valuable member and the community a citizen whose moral character and habits were worthy of commendation and imitation, his family a loving husband and father whose life and character, word and deed won him universal love and esteem; for he was regarded by men in all the walks of life as an honorable man and by the church as an aggressive as well as a progressive christian.

2nd The heartfelt sympathy of this lodge be tendered the bereaved family and that we commend them in this hour of trial and sorrow to the care and guidance of the God of the widow and the Father of the fatherless.

3rd That a copy be sent to the family, one spread on our record book and one be published in the INTERIOR JOURNAL and Masonic Home Journal.

Dr. M. M. Phillips, Gus Gieszl, Geo. B. Lyne, committee.

When to Go Home.

From the Bluffton, Ind., Banner: "When tired out, go home. When you want consolation, go home. When you want fun, go home. When you want to show others that you have reformed, go home and let your family get acquainted with the fact. When you want to show yourself at your best go home and do the act there. When you feel like being extra liberal go home and practice on your wife and children first. When you want to shine with extra brilliancy go home and light up the whole household." To which we would add, when you have a bad cold go home and take Chamberlain's Cough Remedy and a quick cure is certain. For sale by all druggists.

At the end of this season America will send at least \$6,000,000 to Europe as a token of her appreciation of musical art. The estimate is conservative and probably too low. The two opera companies—the Metropolitan and Manhattan—are composed chiefly of foreigners, who will go to Europe next Spring with \$1,250,000 in their pockets. The concert singers, pianists and violinists, excluding Paderewski and Kubelik, will carry away another \$500,000. The royalties paid to foreigners for operas and sheet music by Americans in Europe mean \$500,000 more. The \$6,000,000 tribute to musical art, too, is quite independent of the hundreds of thousands of dollars paid by Americans for musical comedies and "popular" songs of foreign origin.

A Home Made Happy by Chamberlain's Cough Remedy.

About two months ago our baby girl had measles which settled on her lungs and at last resulted in a severe attack of bronchitis. We had two doctors but no relief was obtained. Everybody thought she would die. I went to eight different stores to find a certain remedy which had been recommended to me and failed to get it, when one of the storekeepers insisted that I try Chamberlain's Cough Remedy. I did so and our baby is alive and well today.—Geo. W. Spence, Holly Springs, N. C. For sale by all druggists.

In Mason county a mob refused to allow two tenants to deliver 10,000 pounds of tobacco they had sold to a buyer for the American Tobacco Company, and insisted that they sign it over to the Equity Society. The men appealed to Judge Harbeson for protection and it is claimed he told them they would have to swear out warrants before the court could act.

For any of the ordinary diseases of the skin Chamberlain's Salve is excellent. It not only allays the itching and smarting but effects a cure. For sale by all druggists.

BRODHEAD.

Born to the wife of Dr. Gravely, a son.

Mrs. Mary Albright sold to Charles Debord a farm of 79 acres. Consideration not known.

Meeting at the Methodist church did not begin last Sunday owing to Rev. Curtis not arriving in time. The meeting will begin Friday night.

We noticed in a recent issue of the I. J. that Dr. E. J. Brown and others of Stanford, are mentioned as having been visiting in the Hiatt neighborhood and "incidentally" shooting birds. We presume you meant "accidentally."

R. H. Hamm, one of our merchants who knows a good thing when he sees it, has just had installed in his store-room three very fine lights, put in by the Eureka Gas Light Co. Herman Frith will do likewise in a short time.

We would like to see a telephone wire along every county road but we are not in favor of having the pretty shade trees along the roads cut and disfigured as some have been recently. It is a small job and not a costly one to insulate the wire when it passes through the tops of trees. We think the county should look after this a little.

Banker M. B. Salin and wife visited Banker Hutcheson and wife here Sunday. Mr. and Mrs. W. K. Shugars left for their new home in Stanford last Sunday. We were loath to give these good people up but our loss is Stanford's gain. Mr. Waterbury, who has been clerk in the bank here, left for Pine Knott Wednesday night to act as assistant cashier in the bank there. Homer Wallen, fireman on the Q. & C., was visiting here. Elbert Wallen, of Oakdale, Tenn., spent several days with his family here. Albert Albright, of Lebanon Junction, was here Wednesday. Manly Albright is visiting A. C. McClary at Troy, Woodford county.

Farmers are very late gathering corn in this section on account of the scarcity of hands. All laboring men in this community are in the service of the railroad company. Corn is selling at \$2.25 and \$2.50 in the field.

Arthur Martin, a signal foreman living near here, has small pox at Blanchett. His family receives a telegram every day regarding his condition. Roscoe Leach, who is now an engineer, running between Somerset and Oakdale, is at home for a few days. Will Lucas and wife, of Middleburg, spent a few days with their son, Alvah Lucas. French Marlow is very ill with grip. L. D. Jones continues ill.

A Real Wonderland.

South Dakota, with its rich silver mines, bonanza farms, wide ranges and strange natural formations, is a veritable wonderland. At Mound City, in the home of Mrs. E. D. Clapp, a wonderful case of healing has lately occurred. Her son seemed near death with lung and throat trouble. "Exhausting coughing spells occurred every five minutes," writes Mrs. Clapp "when I began giving Dr. King's New Discovery, the great medicine, that saved his life and completely cured him." Guaranteed for coughs and colds, throat and lung trouble, by Penny's Drug Store 50c. and \$1. Trial bottle free.

The finest Coffee Substitute ever made, has recently been produced by Dr. Shoop of Racine, Wis. You don't have to boil it 20 or 30 minutes. "Made in a minute" says the doctor. Health Coffee Imitation is made from pure toasted cereals or grain, with malt, nuts, etc. Really it would fool an expert were he to unknowingly drink it for Coffee. Sold at Penny's Drug Store.

Democratic Ticket.

For United States Senator,
J. C. W. BECKHAM.

Gov. BECKHAM is now an "ex" but he won't be such long, for along about January 10th he will be elected U. S. Senator, the Courier-Journal and his other enemies to the contrary, notwithstanding. That he has made a good governor, even his enemies are compelled to admit, while his friends, and they are legion, rejoice over the good work he has accomplished. Well done, thou good and faithful servant, is the plaudit he is entitled to, and we might add, with no attempt at sacrilege, thou hast been faithful over a few things, we will now give thee a seat in the Senate, where ye will be ruler over many things and many men.

AUGUSTUS E. WILLSON, of Louisville, took the oath of office as governor of Kentucky at Frankfort Tuesday. The inauguration ceremonies were simple and were witnessed by a large crowd. The new governor made a speech in which he pledged himself to uphold law and order in Kentucky. The retiring governor was presented a chest of silver by the people of Frankfort.

WE were so rejoiced at the appointment of our brother, Mr. W. P. Walton, as Railroad Commissioner by Gov. Beckham that we forgot to make mention of it. He hardly remained in office as long as "Pat staid in the army" but the four days he was in he made his presence felt and as the saying goes, "acquitted himself creditably."

Gov. BECKHAM's first official act as governor was the issuance of a proclamation to the people telling them of the assassination of Gov. Goebel. This was on Feb. 4, 1900. His last official act was the appointment of H. P. Morris as justice of the peace of Barren county. He did the latter just before going out of office.

LAST fiscal year's production of distilled spirits of every sort was 24,602,020 gallons in excess of that of the year before, and the production of beer was 3,897,449 gallons greater than in the previous fiscal year. With the water wagon traveling all over the country, what will become of all this stuff?

MR. W. P. WALTON, editor of the State Journal at Frankfort, while intently watching the republican governor sworn in was robbed of a \$200 diamond. Mr. Walton should have remembered that when mingling in republican gatherings it is best to leave one's valuables at home.

WE have as much State pride as the next one but we can't think that Louisville is the place for the next National Democratic Convention since we read the election returns from the Fifth district a few weeks ago.

In an interview in New York Gov. Hoke Smith, of Georgia, said that the feeling is general among Southern Democrats that the time has come when they must do their own thinking and not accept the leadership of others.

A. T. Siler was elected chairman of the Kentucky Railroad Commission with the understanding that at the end of two years the commission is to be reorganized by the election of Col. L. P. Tarlton, the other republican member, as chairman.

Louisville can get the Democratic National Convention if a certified check for \$25,000 or \$30,000 is wired to the committee by noon to-day. It is announced that two-thirds of the members favor Louisville. If the money is not forthcoming it is believed Denver will get the convention.—Thursday's Courier-Journal.

Senator Jas. B. McCreary in an interview in the Washington papers says he thinks Mr. Bryan will carry the Democratic National Convention and will be nominated by acclamation. He says Mr. Bryan is by far the strongest and most popular man in the party to-day, and that he will carry Kentucky next November by 15,000 votes.

His bride will make a helpmeet fond and true and we congratulate Mr. Dunn on winning her.

The bride entered with her sister, Lillian, the maid of honor, and met the groom and his best man, Mr. Geo. W. Smith, at the altar. Rev. Homer Carpenter, of Lexington, performed the ceremony.

Mr. Joe Lynn B. Coffey and Miss Myrtle O'Bannon drove to Danville yesterday afternoon and were joined in wedlock's holy bonds at the home of Mr. Bland Ballard, Eld. H. C. Druggist Takes His Own Medicine

The man who sells remedies for most of the human ills, and bears day after day the opinions of people who have used these remedies, naturally comes to know the superior from the inferior, and when the time comes that he has to decide on which remedy he will take, he of course selects the one he has heard the most praise of. His own opinion, coupled with that of his customers', ought to go far in convincing the layman that the remedy the druggist selects is the best in the field.

J. M. Hawkins, a druggist of Mound City, Kans., has sold medicines for a great many years, and when finally he himself began to suffer from stomach trouble he had no hesitation in deciding which remedy on his shelf he would take. It was Dr. Caldwell's Syrup Pepsin. Now, after having given it a good test, Mr. Hawkins writes us that it justified his high opinion and he is cured.

It was the same with Druggist Kennedy, of Lexington, Ill. He was not very robust, often had constipation and such troubles, so, going on what his customers who had used it told him, he took Dr. Caldwell's Syrup Pepsin and has been a well man ever since.

There is no better remedy on the shelf of any druggist or in all materia medica than Dr. Caldwell's Syrup Pepsin for obstinate constipation, dyspepsia, indigestion, flatulency, biliousness, diarrhoea, jaundice and other liver troubles, whether the disease is in an infant, child, woman or man.

It is the best family laxative. It is gentle and effective, pleasant and sure. The proprietors guarantee it absolutely both as to purity and results to be expected. Usually one or two doses will bring about a complete change for the better, and as it is only 50 cents or \$1 a bottle sure relief can be had for a few cents. Buy a bottle so you can see what it will do for you.

FREE TEST Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by addressing the company. This offer is to prove that the remedy will do as we claim, and is only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Gentlest yet most effective laxative for children, women and old folks. A guaranteed, permanent home cure. THE PUBLIC VERDICT: "Who Laxative So Good and Sure as DR. CALDWELL'S SYRUP PEPSIN." This product bears purity guarantee No. 17, Washington, D. C.

PLEASANTS.—Mrs. Joseph Pleasants died at her home at Crab Orchard Wednesday night, aged about 65. She died of heart disease, from which trouble she had long been a sufferer. She is survived by her husband and son and three daughters. Deceased was a Miss Pollock and was a good, christian woman. THE brick work on the big Odd Fellows' building was completed yesterday afternoon and now the carpenters and plasterers have it in hand. Besides the two store-rooms, one of which is 27x100 feet and the other 23x100 feet, there will be a hall or lodge room 34x50 feet and 10 good offices. It will be a very handsome and convenient building when completed and will materially help the appearance of Stanford. We need a half dozen or so more such buildings. Who will be the next to put up one?

THE question of the hour is, who will be Stanford's next chief of police? We understand that there are three applicants: Messrs. J. T. Embry, B. D. Carter and A. C. Alford, and we understand further that each has the promise of two votes. Two votes can not elect of course and if the mayor could break the tie the man who would get his vote would not have a majority as three is not a majority of six. So it will be seen that somebody has to get more votes and who will it be? We do not know, we are sure, but we do know that we hope the successful candidate will pledge his support to suppress blind tigers in Stanford and make good that pledge. A man who is not willing to enforce any and all laws should not be considered for the marshal's place.

THE will of I. D. Hocker, of this city, who died in Lincoln county several days ago, was filed for probate, says a Lexington dispatch. The testator bequeaths to his sister, Mrs. Sallie M. Good, of Lincoln county, \$500; to his sister, Mrs. Nannie B. Good, \$100; the remainder of his estate to be equally divided between his brothers and sisters or their heirs. His brother, James, however, is to receive none of the estate because he has already been given more than his share. The testator states that he leaves more to his sister, Mrs. Sallie M. Good, than to the other heirs because she has been more solicitous for his welfare.

A "BELL BOY" delighted a large audience at the Manning Thursday night. This is the second time within a few weeks that this estimable attraction has appeared at the local theatre and its popularity with the Middlesboro theatre-goers was attested by the enthusiastic audience which greeted the play last night. Johnny and Ella Galvin kept the house in an uproar and the other members of the company were not lacking as fun producers. The songs and other features were also well received.—Middlesboro Record of Dec. 6. See this splendid show at Walton's Opera House Thursday, Friday and Saturday nights, Dec. 12, 13 and 14.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb." Always demand Dr. Shoop's Cough Cure. Sold by Penny's Drug Store.

After J. C. W. Beckham bade farewell to the governorship and to the people after eight years of service in the Executive chair, he and Gov. A. E. Willson stood Tuesday with clasped hands in the presence of thousands of people gathered from every section of the Commonwealth. They stood as the leaders of the two great political parties in the State and made a picture that was good for people who witnessed the riotous scenes of 1900 to look upon. It meant the dawn of an era of better feeling, and the cheers which greeted the retiring Governor and the new Governor shook the old building on the Capitol grounds.

Badly Mixed Up.

Abraham Brown, of Winterton, N. Y., had a very remarkable experience; he says: "Doctors got badly mixed up over me; one said heart disease, two called it kidney trouble; the fourth blood poison, and the fifth stomach and liver trouble; but none of them helped me; so my wife advised trying Electric Bitters, which are restoring me to perfect health. One bottle did me more good than all the five doctors prescribed." Guaranteed to cure blood poison, weakness and all stomach, liver and kidney complaints, by Penny's Drug Store 50c.

After leaving his wife and son in the family room, Bruce K. Eddings, aged 88 years, the first settler of Fulton when that city sprung up after the Civil War, entered his room adjoining, laid down upon his couch, and placing on old revolver in his mouth, shot his brains out. Death was instantaneous.

Passed Examination Successfully.

James Donahue, New Britain Conn., writes: "I tried several kidney remedies, and was treated by our best physicians for diabetes, but did not improve until I took Foley's Kidney Cure. After the second bottle I showed improvement, and five bottles cured me completely. I have since passed a rigid examination for life insurance." Foley's Kidney Cure cures back-ache and all forms of kidney and bladder trouble. G. L. Penny.

How Diphtheria is Contracted.

One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. For sale by all druggists.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pangs of this deplorable disease. In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, I uniformly cure all curable cases of this heretofore most dreaded disease. Those sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend
